Article Numbers: 712363, 712353, 712351

Safety Instructions:

- Take care when using to avoid injury from the pointed ends. Make sure that the tweezers do not get into the hands of children and are kept out of their reach.
- Not suitable for children under the age of three as there is a choking hazard due to small parts.
- There is a risk of injury to the hands if used incorrectly. The tweezers should only be used by qualified personnel.
- Dispose of the product in accordance with local regulations for electrically operated tools.
- Avoid using the tweezers in damp or wet conditions to minimise the risk of corrosion.
- The needle tip is sharp; use it with care to avoid injury.
- Risk of suffocation due to improper use during fine assembly work.
- Not suitable for children under 12 years of age without adult supervision.
