Safety Instructions:

- Take care when handling the tweezers to avoid injury from the sharp ends and ensure that they are only used for their intended purpose.
- Do not use near electrical appliances to minimise the risk of electric shock.
- Not suitable for children under 3 years of age, as small parts or sharp tips may pose a choking or injury hazard; the tweezers should generally be kept away from children to avoid injury.
- Check the tweezers regularly for damage before using them.
- Do not use the tweezers near naked flames or extreme temperatures.
- Clean the tweezers thoroughly after each use to avoid contamination.
