Please note the technical data of the products!

Article Numbers: 713301, 712375

Safety Instructions:

- Not suitable for steel wire and hard-drawn copper conductors.
- Pay attention to sharp edges to avoid injuries.
- Before use, ensure that the scissor blades are intact to avoid accidents.
- Keep your distance from your body and face, as the cutting edges are strong and sharp.
- Not suitable for children under 14 years of age due to risk of injury and choking.
- Caution: The cutting edges are very sharp, risk of injury if handled incorrectly.
- Only use the tool for its intended purpose (copper/aluminium cable), not for other materials such as steel wire.
- Keep the tool away from damp conditions to prevent corrosion.
