Safety Instructions:

- Improper use can lead to electric shocks; avoid contact with wet hands or in wet environments.
- Small parts can be a choking hazard, especially for children under 3 years of age; be careful with small parts.
- Keep out of reach of children and away from the work surface during use.
- Carefully read and observe the operating instructions before use; failure to do so may result in damage and injury.
- Only use the crimping pliers and wire-end ferrule pliers in accordance with the manufacturer's instructions to avoid injury.
- The ferrules contain small elements that pose a choking hazard.
- Wearing safety goggles is recommended to avoid eye injuries when crimping.
- Keep the product out of the reach of children.
- Dispose of packaging and accessories safely and properly.
- Take care when using electrical tools to avoid injury.
- Product safety recall possible; if unsure, discontinue use and contact manufacturer.
