Safety Instructions:

- Sharp blades: Risk of injury from improper handling. Only use the pliers for their intended purpose and do not overuse them.
- Not suitable for children: Keep product out of the reach of children.
- Use by adults only: Use with caution, especially when cutting, as wire could jump off. Wear suitable protective equipment such as gloves and safety goggles.
- If used incorrectly, there is a risk of injury, particularly due to sharp edges and pieces of wire breaking off.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Do not use damaged pliers and dispose of them properly.
- Store the pliers properly after use to avoid accidental injury.
- Do not allow any body parts or loose clothing to enter the work area to avoid injury.
- No contact with electrically conductive materials as the pliers are non-sparking.
