Safety Instructions:

- Do not use the product in such a way as to violate the safety regulations; use only for the intended purpose (torque spanner) to avoid accidents.
- Wear safety goggles and personal protective equipment, especially in environments with flying particles.
- Protect the product from high pressure or extreme temperatures.
- Keep the product out of the reach of children.
- Do not use if the product is damaged.
- Read the operating instructions carefully before use.
- Beware of injuries due to improper use; note the risks due to mechanical stress.
- Do not use near water or damp places to avoid the risk of electric shock.
- Mechanical parts can move and therefore pose a risk of injury.
- The product must not be used by persons who are not familiar with its use.
