Safety Instructions:

- Not suitable for children under 3 years due to small parts and risk of injury.
- Choking hazard due to small parts and improper use.
- Keep packaging away from children to avoid the risk of suffocation.
- Product is not suitable for children under 12 years of age as there is a risk of injury.
- Use only under adult supervision.
- Risk of injury due to improper use or overloading.
- Improper use can lead to slipping and injuries, especially if the angle of rotation is too high or when working in unfavourable positions.
- Only use the screwdriver for its intended purpose to avoid injury.
- Check for damaged blades; if damaged, do not use the tool and replace it.
- Wear safety goggles during use to avoid eye injuries.
- We recommend wearing protective gloves to prevent injuries from the blade.
- Observe safety precautions when working on electrical appliances to avoid electric shocks.
- Store the screwdriver in a safe place, out of the reach of children.
- The blade must not be used beyond the recommended maximum length.
- Keep the area around the blade free of obstacles during use.
