Article Numbers: 712951, 712713, 712712

Safety Instructions:

- Caution: The pliers have sharp edges. Take care when using them.
- Not suitable for children under 12 years. Choking hazard due to small parts.
- Before use, ensure that the pliers and the wires to be processed are in good condition. Do not use if damaged.
- Caution: The pliers open automatically after the stripping process. Keep your fingers away from the clamping jaws during the process.
- Do not use the pliers in a damp environment to avoid electrical risks.
- Follow the safety instructions to avoid injury due to improper use.
- Before use, ensure that the wire stripper is not damaged.
- Keep the pliers out of the reach of children.
- Wear eye protection to avoid injury from broken cable sections.
- Check the functionality of the pliers regularly.
- Use only for the intended purpose (stripping and cutting conductors).
- Use only by trained specialists.
- Only suitable for processing conductors up to 6 mm².
- Follow the instructions for use carefully.
