Safety Instructions:

- Check the product carefully for damage before use.
- Use only for the intended purpose. Do not use for other applications.
- Keep away from children. Do not use as a toy.
- Please wear suitable personal protective equipment (e.g. safety goggles, gloves) during use.
- Improper use can lead to injuries. Ensure that all safety precautions have been taken before use.
- Do not overload the crimping pliers. Only use the specified cable sizes.
- If necessary, carefully read and follow the operating instructions and safety information.
- Take care when using the crimping pliers to avoid injury due to improper use.
- Protection against crushing; keep hands and fingers away from moving parts during crimping.
- There is a risk of electric shock if used incorrectly; therefore only use on de-energised objects.
