Safety Instructions:

- The cutting edges are sharp. Keep away from children as there is a risk of suffocation and injury.
- Suitable for commercial use. Risk of accident if used incorrectly.
- Observe safety conditions to avoid injury; read the operating instructions before use.
- Not suitable for use on electrical cables or live parts.
- Always cut at a safe distance from body parts and wear suitable protective gloves to avoid injury.
- Only use the pliers for their intended purpose to avoid damage and injury. Misuse can lead to damage.
- Keep the pliers out of the reach of children. Not suitable for children under 14 years of age.
- Make sure that the blades are not damaged during use to ensure safe use.
- Pack and store securely to prevent damage to the shafts and blades.
