Safety Instructions:

- Wear suitable personal protective equipment (e.g. gloves, safety goggles).
- Only use the product in accordance with the operating instructions and the intended applications.
- Keep the product away from children and unsupervised persons.
- Do not use in unsafe conditions, especially near water or wet conditions.
- Regular inspection for damage; do not use if damaged.
- Before use, ensure that all parts are correctly connected and fitted.
- Ensure compatibility with devices, especially electric and pneumatic screwdrivers.
- Use safety mechanisms (safety pins/rings) correctly to prevent slipping.
- When working with electrical appliances, suitable safety precautions must be taken to minimise the risk of electric shock.
- Read the operating instructions thoroughly before use.
- Risk of injury due to improper use; always ensure safe use.
