Safety Instructions:

- Always observe the safety information in the enclosed instructions and only use the product for its intended purpose.
- Handle with care to avoid injury from improper use. Sharp edges or moving parts can cause injury, so practice is required when handling.
- Do not use the product near children or under 3 years of age and keep it out of their reach to avoid injury.
- Wear the required protective equipment such as safety goggles and gloves during use to avoid eye and hand injuries.
- The product must not be dropped or stored improperly to prevent damage. Before use, ensure that the tool is correctly adjusted and not damaged.
- Avoid contact with electrical components and do not use the pliers in wet or damp conditions to prevent electrical accidents.
- Do not use in wet or damp conditions to avoid slipping and injury.
- Make sure that the opening spring is not damaged and keep your fingers away from the crimping clips to ensure that the pliers function properly.
- Use only by adults or under adult supervision recommended.
