### Safety Instructions:

- Ensure that the crimping pliers are not used on damaged or dirty wires.
- Only use the pliers for their intended purpose and in accordance with the operating instructions.
- Keep the handles of the pliers clean and free of oils and lubricants to ensure safe use.
- Wear suitable protective gloves to avoid injury to your hands.
- Only use the crimping pliers with the recommended cable cross-sections to avoid overloading.
- Risk of injury due to improper handling. Caution: Devices with high force can lead to muscle or joint damage.
