Safety Instructions:

- Suitable safety goggles must be worn for safe use of the crimping pliers in order to avoid eye injuries caused by splintering materials.
- Keep fingers and hands away from the crimping station to avoid injury.
- Only use the crimping pliers in a dry and clean environment to minimise the risk of electric shocks.
- Before use, check that there is no damage to the pliers or insulating handles.
- The crimping pliers are not suitable for children. Please keep out of the reach of children.
