### Safety Instructions:

- Caution: Risk of injury when cutting wire and bolts. Only use the pliers for their intended purpose.
- The clamping jaws can slip off if used improperly, which can result in injury to the user. Check for damage before use.
- Do not use in the vicinity of children as there is a risk of injury. Keep the pliers out of the reach of children.
- When using wire cutters, make sure that your fingers are not in the danger zone. Ensure safe handling of the pliers to avoid injuries.
- Do not use beyond the maximum span of 38 mm.
- Do not use wire cutters for bolts with a diameter of more than 6 mm.
