Safety Instructions:

- Only use the pliers for the intended application.
- Ensure that the pliers are properly adjusted to prevent slipping.
- Avoid handling the pliers over other people's heads or body parts.
- Keep the pliers out of the reach of children and only adults should use them.
- Wear suitable protective equipment, such as safety gloves, when using the pliers.
- Check the pliers for damage, wear, overheating or deformation before each use. Do not use if damaged.
- Avoid using the pliers in damp or wet environments to reduce the risk of rust formation.
- When using the pliers, work on stable, level surfaces.
- Keep hands and face away from the gripping area to avoid injury.
- Never attempt to bend or overload the pliers on a fixed object.
