Safety Instructions:

- Caution: Sharp edges can cause injuries.
- Wear suitable protective equipment, including gloves and safety goggles, to avoid injury.
- Keep the tool out of the reach of children to prevent accidental injury.
- Ensure that the tool is not damaged in order to minimise safety risks.
- Only use the tool for its intended purpose and avoid improper use.
- Ensure that the spanner is the right size for the bolt or nut to prevent damage or slipping.
- Store the open-end spanner in a dry and safe place to prevent corrosion and damage.
- Suitable for applications with a maximum torque of 600 Nm.
- Do not use more than the recommended force to avoid breakage or injury.
- There is a risk of injury if used incorrectly.
- Check regularly for wear or damage to prevent accidents.
- Read the instructions for use carefully before use.
- Not suitable for children under 3 years due to choking hazard from small parts.
