Safety Instructions:

- Sharp blades: Risk of injury if used incorrectly. Keep hands away from the blade area before use.
- Keep the scissors out of the reach of children.
- Read and observe the operating instructions before use.
- Use only for the intended materials, hard materials can damage the blades.
- Not suitable for children under 12 years of age, adult supervision is recommended.
- Check handles regularly for damage; do not use damaged tools.
- When handling, ensure that there are no distractions.
- Check the blades for damage before use.
- Do not cut against solid surfaces to avoid breaking the blade.
- Avoid contact with water to prevent rust; store in a dry place when not in use.
