

Product Safety Information

Cable cutter total l.320mm max.60 (600 mm²)mm

Manufacturer/Responsible Person: KNIPEX-Werk C. Gustav Putsch KG, Oberkamper Str. 13, 42349 Wuppertal, Deutschland

E-Mail: info@knipex.de

Please note the technical data of the products!

Article Numbers: 713317, 713315, 713314

Safety Instructions:

- Choking hazard due to improper use of small parts.
- Risk of electric shock due to improper use or faulty insulation.
- Not suitable for steel wire and wire ropes, as these materials can damage the blades and cause injury.
- Ensure use in accordance with the technical regulations and standards (VDE, DIN EN/IEC 60900).
- Check carefully for damage before use to avoid injury.
- Observe VDE insulation: Safety measure against electric shocks up to 1000 V.
- Before use, ensure that there are no persons or objects in the cutting area.
- Protective gloves must be worn to avoid cutting injuries.
- Avoid contact with water to prevent electric shocks.
