Safety Instructions:

- Before use, check that the spanner is set correctly to avoid damage or injury. Check the adjustable spanner for damage before use.
- Do not exceed the maximum opening width of the key to minimise the risk of breakage. Do not use excessive force to prevent the key from breaking or bending.
- Wear safety goggles to avoid eye injuries from splinters or flying objects. Wear suitable safety goggles during use.
- Keep the product out of the reach of children to prevent improper use. Keep the adjustable spanner away from children. Store the tool in a safe place to prevent accidents.
- If used incorrectly, the spanner can cause slipping or sliding hazards. If used incorrectly, the adjustable spanner can cause injury. There is a risk of injury if used incorrectly, so read the operating instructions carefully.
- Only use the adjustable spanner for the intended applications.
- Wear suitable protective gloves during application.
