Safety Instructions:

- Beware of sharp blades, which can cause injuries if used incorrectly. Take safety precautions to minimise the risk of cuts. The use of protective gloves is recommended to avoid injuries caused by sharp edges.
- Keep away from children to avoid the risk of choking on small parts. Not suitable for children; risk of injury due to improper use.
- Use an ergonomic handle to reduce the risk of muscle and joint strain.
- Use only for the intended purpose; do not use for processing materials that are not suitable for the scissors.
- Ensure that the tool is stored safely when not in use.
- Before use, ensure that the tool is in perfect condition.
