### Safety Instructions:

- Please do not use the compact side cutter for applications that go beyond the specified wire types.
- Make sure that your fingers do not get into the cutting area during cutting to avoid injury.
- The cutter is not suitable for children under the age of 12; only use it under adult supervision.
- Check the cutter regularly for damage or wear and replace it if necessary.
- Store the cutter in a dry place to prevent rust formation and extend the service life of the tool.
