Safety Instructions:

- Caution: Exercise extreme caution when handling the pliers, especially when using the adjusting screw and the release lever.
- Safety instructions: Only use the pliers as intended. Excessive pressure can cause the product to fail.
- Warning: These pliers have sharp edges and can cause injuries, make sure that children do not have access to them.
- Note: Check the condition of the pliers regularly, especially if they are used frequently, to ensure that all parts are in good working order.
