Safety Instructions:

- Take care when handling the hammer wedge to avoid injury.
- Ensure safe use to avoid injury from falling or bouncing.
- Only use the product for the intended applications.
- Keep children away from use and storage as there is a risk of injury.
- Before use, ensure that the hammer wedge is firmly anchored in the hammer eye to prevent it from flying out during use.
- Wear suitable protective equipment such as gloves and safety goggles to avoid injury from splinters or unexpected blows.
- Ensure proper handling and storage to avoid damage and unnecessary hazards.
- Ensure a secure footing and correct posture during use to avoid accidents.
