Safety Instructions:

- Risk of suffocation due to impact inserts if used improperly.
- Risk of injury due to improper handling of the hammer and impact tools.
- Before use, ensure that all parts are correctly attached and that the product is undamaged.
- Wear protective clothing, gloves and goggles during use to avoid injury.
- Comply with safety requirements for handling hard and medium-hard impact tools.
- The product is not suitable for use by children and should be kept out of their reach.
- Use only for the intended purpose and do not use in the vicinity of flammable materials or explosive atmospheres.
- When using, observe the child safety lock and familiarise yourself with the instructions for safe use.
- Do not use on soft, unstable surfaces.
- Caution: Head can slip off if handled incorrectly.
