Safety Instructions:

- Use of safety goggles and gloves recommended.
- Do not hit soft or sensitive surfaces.
- Not suitable for children under 14 years of age.
- Ensure that the hammer head is securely fastened before using it.
- Use a protective device to prevent injuries.
- Avoid contact with water to prevent the risk of electric shock.
- Wear suitable personal protective equipment such as safety gloves and goggles during use.
- Keep the hammer away from children to avoid injury from improper use.
- Check the condition of the hammer regularly to ensure that there is no damage to the head or handle.
- Take care never to use the hammer overhead to minimise the risk of injury.
