Safety Instructions:

- Caution: Sharp edges can cause injuries. Ensure that the appliance is positioned correctly and stably and check for damage before each use.
- Not suitable for use by children under 12 years of age. Use only under adult supervision. Do not give the product to children under 3 years of age.
- Secure all moving parts before use and check the product regularly for wear or damage.
- Ensure complete handling and safety instructions before use. Use only in accordance with the instructions supplied.
- Avoid high temperatures as this can lead to material changes. The surface could discolour or flake off at high temperatures.
- Wear safety goggles when using tools and observe the correct safety precautions.
- Caution: If handled incorrectly, there is a risk of injury and health hazards due to sharp edges and the product may be damaged.
