Safety Instructions:

- Ensure that the product is checked for damage before use. If the product is damaged or worn, it should no longer be used.
- Only use the product as intended. There is a risk of injury if used incorrectly.
- Safe handling and storage to avoid injury or damage. Prevent children from accessing the product or store it safely to avoid risks.
- The product may only be used by trained personnel.
- Read the installation instructions carefully before use.
- Only use the product with suitable tools.
- Ensure that the product is not suitable for children under 3 years of age.
- When using the replacement tips, there is a risk of injury due to improper use. Ensure that the replacement tips are compatible with the corresponding automatic centre punch before use. If the replacement tips are worn or damaged, they must be replaced immediately to avoid safety risks.
