Please note the technical data of the products!

Article Numbers: 713784, 713783, 713782, 713781

Safety Instructions:

- When using the scraper, take suitable protective measures to avoid injury.
- Before use, ensure that all blades are properly installed, undamaged and correctly fitted.
- The scraper is not suitable for children and should be kept out of their reach to avoid injury and the risk of choking on small parts.
- Take care when changing the blades to prevent cuts. Do not turn on or manipulate while changing blades.
- After use, store the scraper in a safe place where it cannot be accessed by unauthorised persons.
- Use personal protective equipment, such as gloves and safety goggles, when applying the product.
- Observe the safety instructions and operating instructions.
- If the blades are damaged, replace them immediately.
