Safety Instructions:

- Observe the safety instructions before use.
- Not suitable for children under 3 years of age as small parts may pose a choking hazard.
- Keep product away from moisture and extreme temperatures.
- There is a risk of injury if used incorrectly.
- Handle sharp edges of the blade with care to avoid injury.
- Do not apply to live electrical parts to avoid electric shock.
- Only use the screwdriver for its intended purpose and ensure that it is undamaged.
- Keep the screwdriver away from children and do not use it as a toy.
- Avoid contact with water and damp conditions to prevent corrosion.
- Use appropriate protective equipment such as gloves and safety goggles during application.
- Keep the handle dry to ensure a better grip and prevent slipping.
- If the product is damaged, stop using it and contact the manufacturer.
- Always wear safety goggles to avoid eye injuries.
- Do not use the product near liquids to avoid electrical accidents.
- There is a risk of slipping when used on slippery surfaces.
