Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts. The product should be kept out of the reach of children and should not be used by children.
- Before and during use, ensure that the tool is used correctly and is in perfect condition to avoid injury.
- Wear safety goggles to avoid eye injuries during use. Always protect your eyes and face.
- Always use suitable protective gloves to avoid injury.
- Risk of injury due to improper use of the tool; caution is therefore advised.
- The product should be protected from moisture and temperature fluctuations. Keep the spanner away from extreme temperatures and moisture.
- Avoid using the tool if it is visibly damaged.
- Take care when using the tool in the vicinity of electrical cables.
- The product is not suitable for use in potentially explosive atmospheres.
- Only use the hexagon socket spanner for its intended purpose.
