Safety Instructions:

- Only use the hexagon socket spanner with suitable tools and for the intended applications in order to avoid injury and material damage.
- Caution: Sharp edges can cause cuts. Wear suitable protective gloves.
- Before use, check that the handle and blade are not damaged; replace damaged tools immediately.
- Not suitable for children under 12 years of age as there is a risk of suffocation or injury; keep product away from children.
- Read the safety instructions carefully before use.
- Do not use the product in damp or wet environments to avoid corrosion.
- In the event of damage or signs of wear, take the product out of operation immediately.
- Store the tool safely; protect from moisture and direct sunlight.
- Wear safety goggles to avoid eye injuries from flying parts.
- Ensure that the workplace is clean and tidy to avoid tripping hazards.
