Safety Instructions:

- Beware of sharp edges when handling the circular saw blade. Risk of injury!
- Wear safety goggles and hearing protection during use to avoid eye and hearing injuries.
- Only have the saw blade installed and maintained by qualified personnel.
- Keep fingers and hands away from the edge of the saw blade, use protective gloves.
- Before use, ensure that the saw blade is correctly mounted and securely fastened.
- Check regularly for damage and replace defective parts immediately.
- Keep the product out of the reach of children as it is not suitable for use by children.
- Only trained personnel should operate the appliance in order to minimise the risk of injury.
- Read the operating instructions carefully and follow all safety instructions.
- Use only in suitable machines and applications. Avoid use in case of improper handling.
- Do not use or store in a damp environment.
