Please note the technical data of the products!

Article Numbers: 726261, 726260

Safety Instructions:

- Electrical components can cause electric shocks if handled incorrectly. Take care when handling.
- Protect the product from moisture to reduce the risk of electrical short circuits.
- Use only for petrol engines up to 2500 ccm or 5500 ccm and diesel engines up to 3000 ccm - not suitable for other engines. Only use the cables with recommended engines in accordance with the manufacturer's specifications.
- Not suitable for children under 14 years of age. Danger due to improper handling.
- Always read the instructions before use and ensure that the connection is established correctly.
- Make sure that the cables are not damaged to avoid the risk of short circuits.
- If used for bridging vehicles, ensure that all devices are switched off.
- Store cables dry and away from heat sources to prevent material wear.
