Safety Instructions:

- Can cause injury if not used properly. Ensure that it is handled by adults.
- Wear safety goggles to avoid eye injuries.
- Check for damage before use.
- Do not use near flammable materials. Due to the material of manufacture, use near sources of fire to avoid the risk of fire.
- The use of protective gloves is recommended to avoid injuries when hammering.
- Keep the product out of the reach of children.
- Take care when using the hammer: a strong blow can cause injury.
- Do not hit a hard surface to avoid rebound injuries.
- Do not use with metallic and hard materials to avoid injury.
- Always work in a stable posture to minimise the risk of falling or injury.
