Safety Instructions:

- Do not use the sledgehammer on hard surfaces to avoid injury from rebounding objects.
- Wear suitable protective equipment such as safety goggles and gloves during use.
- Keep the sledgehammer out of the reach of children.
- Check the sledge hammer regularly for damage and do not use it if it is damaged.
- Avoid working with an unsecured hand to minimise the risk of crushing.
- Do not use products for children under 12 years of age.
- Only use hand tools for their intended purpose.
