

Product Safety Information

Insulation/resistance meter IT 101 0.1-600 V AC/DC V 50 kOhm-20 GOhm

Manufacturer/Responsible Person: Benning Elektrotechnik und Elektronik GmbH & Co. KG, Münsterstr. 135-137, 46397 Bocholt, Deutschland
E-Mail: info@benning.de

Please note the technical data of the products!

Article Number: 719445

Safety Instructions:

- Choking hazard due to small parts
- Risk of electric shock due to improper use or faulty insulation
- Overload due to improper use, especially for insulation measurements above 1000 V
- Safety measures must be observed when handling electrical components and devices
