Safety Instructions:

- Avoid the risk of injury due to improper use and keep the clamp out of the reach of children.
- Ensure that the table clamp is suitable for table thicknesses of 10-60mm and is securely fastened to a stable table to prevent slipping.
- Do not overload the clamp to avoid breakage.
- Do not use the table clamp if it is damaged or does not function correctly.
- Handle the table clamp carefully during assembly and disassembly to avoid crushing or slipping.
- Ensure that the clamping lever is operated correctly.
- Only use the table clamp for its intended purpose.
