Article Numbers: 719959, 719958, 719957, 719955

Safety Instructions:

- Include and follow safety information and instructions for safe handling of the product.
- Check that the magnetic effect is working properly before use.
- Do not use in the vicinity of electronic devices, credit cards or data carriers, as magnetic fields can damage them.
- Keep the product away from children and do not give it to children under 3 years of age, as small parts can be swallowed and there is a risk of choking.
- If the product or materials such as aluminium or magnets are damaged, discontinue use immediately.
- Caution: Strong magnets can cause injuries if handled incorrectly, especially neodymium magnets.
- Wear suitable protective gloves when using the product, especially when working with sharp edges.
- Keep the packaging as it may contain important safety instructions.
