Please note the technical data of the products!

Article Numbers: 719969, 719968

Safety Instructions:

- Use only for the intended purpose.
- Choking hazard due to small parts such as the neodymium magnet, not suitable for children under 3 years.
- If handled incorrectly, there is a risk of injury due to the strong magnetism.
- Please follow the specific instructions for correct use and care of the product.
- The use of protective gloves is recommended to avoid injury during prolonged use.
- Only use the vice for the intended materials (thin-walled pipes, wood and plastic).
- When working, make sure that loose clothing and hair do not get caught in the vice.
- Avoid pulling on the clamping surface if the vice is not properly secured.
- The use of unsuitable materials may impair safety.
- Keep the clamping surfaces clean to ensure secure clamping of the workpieces.
- Check regularly that the magnet is still firmly in place and shows no signs of wear.
