Safety Instructions:

- This product is not suitable for children as there is a risk of injury during use.
- Only use the product in accordance with the manufacturer's instructions in order to avoid hazards.
- Ensure that the product is used on a stable surface to prevent it from tipping over or slipping.
- If handled improperly, the product may have sharp edges that can cause injuries.
- Keep your fingers away from the clamping surfaces while the product is in operation to avoid crushing injuries.
- Ensure that the clamps are not used beyond their maximum clamping force in order to avoid damage.
- To avoid injury or damage, do not use the clamps for applications that are not intended.
- Wear safety goggles when working with the clamp to prevent eye injuries caused by unexpected release.
- Always store the clamps in a safe condition after use to avoid injury.
