Article Numbers: 720056, 720054, 720053, 720052

Safety Instructions:

- Beware of crushing hazard if handled incorrectly.
- Not suitable for children under 15 years and not suitable for children under 3 years due to choking hazard from small parts.
- Excessive pressure can lead to material failure; do not exceed the maximum clamping force of 2000 N.
- We recommend the use of safety goggles and protective gloves to avoid injury from splashing parts, sharp edges or pressure.
- Do not use the appliance near water to avoid the risk of electric shock.
- Before use, ensure that all parts are correctly assembled to avoid the risk of injury.
- Risk of suffocation due to improper use or improper handling, especially when using close body parts.
- Provide safety information and instructions in easily understandable language; ensure correct installation and handling.
