Safety Instructions:

- Avoid high-risk operation with the one-handed clamp; clamping jaws must be checked for damage and correctly positioned before use.
- Do not overload; observe maximum clamping force and avoid risk of injury if the clamp is handled incorrectly.
- Keep hands and body away from the clamping force of the clamp; do not touch the clamping jaws during operation to avoid crushing.
- Do not use the clamp in the vicinity of electrical appliances.
- For users under the age of 18, use only under adult supervision.
