Article Numbers: 720103, 720101, 720094, 720093, 720092, 720088, 720087, 720077

Safety Instructions:

- Use with caution to avoid crushing injuries. If used incorrectly, there is a risk of injury due to crushing or pinching.
- Wear personal protective equipment (gloves, safety goggles), especially when using under high clamping force, to avoid injury.
- Avoid improper handling or overloading, especially above the maximum clamping force of 7000 N. Improper use can lead to material or structural failure.
- Do not use the product if it is damaged or malfunctioning. Notify the manufacturer.
- Store and use out of the reach of children. Not suitable for children under 12 years of age.
- Only use the clamp for its intended purpose. Only work with materials that do not exceed the maximum clamping force.
- Use plastic protective caps to prevent injuries from sharp edges. Ensure that the clamp is properly tensioned and that the workpieces are stable to prevent slipping.
- Ensure that all parts are intact and functional before use. Use the clamp on a stable surface.
- Keep fingers and clothing away from the clamp while it is being tensioned.
- Read the installation and safety instructions before use.
