Article Numbers: 720145, 720144, 720141, 720140

Safety Instructions:

- Use requires appropriate training to avoid injury.
- Please keep hands away from the clamp to avoid crushing injuries. There is a risk of crushing if handled incorrectly.
- Do not use the clamp beyond its clamping force of 1200 N to avoid breakage or accidents.
- Regularly check the clamp for damage before using it. Do not use damaged products.
- Not suitable for children under 14 years of age. Keep children away from the product to avoid injury.
- Caution during use: Check the voltage setting before first use.
- Use only in a moderate temperature range of 0 to 40 degrees Celsius.
- Do not apply to skin or eyes as there is a risk of injury.
- Make sure that the product is used on a stable surface to prevent it from tipping over or slipping.
- Caution: Only use the clamp for its intended purpose in order to avoid injury.
- Choking hazard due to small parts, especially if small parts could fall off during use.
- Safety instructions should be written in easily understandable language and enclosed with the product.
