Article Numbers: 720172, 720171, 720170, 720169, 720168

Safety Instructions:

- Caution: There is a risk of injury from crushing if used incorrectly.
- Please secure the clamp correctly to prevent it from slipping during use.
- Only use the clamp for the intended materials and applications.
- Keep hands and body parts away from the clamping surfaces during the closing process.
- Product is not suitable for use by children; keep children away from the product to avoid injury.
- Caution during use: The clamping force can vary greatly.
- Read and follow the safety instructions before use.
- Do not use if damage or wear is visible; check the condition of the spindle and clamping surfaces regularly.
- Ensure suitable storage to keep the product in perfect condition.
- Ensure that the tool is used on a stable and level surface to prevent it from tipping over.
- Choking hazard due to improper handling of small parts.
- Avoid excessive pressure to prevent the tool from breaking or failing.
- Enclose safety instructions for proper use and storage.
