Please note the technical data of the products!

**Article Numbers:** 720192, 720191, 720189, 720188, 720187, 720185, 720184

### Safety Instructions:

- Risk of suffocation due to possible inadequate labelling of the clamping caps.
- Caution: High clamping force up to 6500 N - risk of injury if used incorrectly; do not exceed.
- Safety information on the packaging should be clear and understandable.
- Avoid crushing and cutting injuries during use. Do not reach into the clamping area; wear gloves.
- Safe handling and use in the intended manner is required. Please use only for the intended purpose.
- Ensure that the clamp is correctly adjusted before use and is used on a stable, level surface.
- Keep children away from the clamp; use by adults only recommended. Not suitable for children under 3 or 10 years of age as there are dangers.
- Eliminate all sources of danger in the work area. Check regularly for damage or wear and do not use if damaged.
- Use protective caps on the clamping surfaces to prevent injuries and damage to the surface of the workpiece.
- Ergonomically shaped wooden handle for a secure grip. Beware of slipping and improper use to avoid hand injuries.
- Hollow profile rail with corrugation: fingers can be crushed, caution required when handling.
- Do not misuse improperly to avoid injury.
