Safety Instructions:

- Take care with improper handling, as injuries may occur.
- Do not use in the vicinity of children to avoid risk of injury. Not suitable for children under 14 years of age.
- Ensure that the product is used on a stable surface to avoid accidents.
- Check the functionality and damage of the tool-free exchangeable pressure plates before use.
- Caution: High forces during tightening can cause crushing. Take care when handling the clamping device due to the risk of crushing.
- Use only in accordance with the instructions and applicable safety regulations to avoid damage. Only use the product in the manner specified.
- Monitor use in specific environments to avoid safety risks.
- If accessible to children, take suitable safety precautions to avoid injury.
- Ensure that the folding handle does not accidentally fold down or rotate during use.
- Do not store near extreme temperatures or moisture.
- Avoid using applications for which the clamp is not designed in order to prevent injuries.
- Check for damage after each use and replace defective parts immediately.
- Ensure that the handle is secure and tight to avoid injury.
