Article Numbers: 720280, 720278, 720277, 720276, 720275, 720263, 720262, 720261

Safety Instructions:

- Only use the product in a stable position to prevent it from slipping.
- Improper use can damage the product or cause injury.
- Keep the handle and clamping surface dry to prevent slipping.
- Ensure that the product complies with the applicable safety standards.
- Use under adult supervision recommended; suitable for persons over 18 years of age.
- No improper use or excessive load on the product. Maximum permissible clamping force: 6000 N.
- Only use the clamp for its intended purpose.
- Use protective caps to avoid injury and keep fingers away from the clamping surfaces.
- Beware of the risk of crushing if handled incorrectly. Safety goggles must be worn during use.
- Not suitable for children; keep out of their reach. Suitable for persons over 14 years of age.
- Check the product regularly for damage and ensure that the clamping surfaces are clean.
- Use the product in accordance with the manufacturer's instructions. Use protective equipment such as safety goggles.
- Not suitable for use with electrical tools or machines.
- Take care when changing the pressure plates; these can be fitted without tools.
