Article Numbers: 720273, 720272, 720271, 720270, 720268, 720267, 720266, 720265

Safety Instructions:

- The product can be loaded with a maximum clamping force of 7,000 N. Do not exceed this to avoid injury.
- Wear suitable protective equipment such as gloves and safety goggles to minimise the risk of injury.
- Read the operating instructions and all safety instructions carefully before use.
- Check the product regularly for damage. Replace damaged parts immediately.
- The product is not suitable for children. Keep out of the reach of children to avoid the risk of choking.
- Improper handling can lead to injuries. Do not misuse the product.
- Do not touch moving parts during use to avoid injury.
- Secure the product during use to prevent it from falling over or slipping.
- Not suitable for children under 12 or 14 years of age; adult supervision recommended.
- Ensure that the pressure plates are working properly before use.
- Risk of injury due to crushing if used incorrectly.
